Before you travel

Share your trekking experience, travel dates, arrival plans and dietary needs when requesting a quote.

Walking and driving times are approximate; allow for weather, trail changes and your group's pace.

Confirm your equipment, baggage allowance, guide arrangements and emergency communication plan in writing.

Private-group pricing, room/tent sharing and booking/cancellation terms are provided with your dated proposal.

Start/end: Islamabad, with an early morning pickup on day 1. Arrange arrival the day before.

Cabins have basic facilities; confirm bedding, toilets and charging before travel.

The mountain section has no built-in summit or technical climbing objective.

Season & preparation

Suggested season: June–September; jeep road and trail access must be confirmed

Difficulty: Moderate; strenuous optional base-camp day

Guide & safety arrangements

This mountain route needs an assessment of fitness, previous experience and acclimatisation. The guide may shorten stages or turn back for conditions or traveller wellbeing. Arrange activity-specific insurance covering the planned altitude and evacuation. The final proposal must identify the guide, communication equipment and emergency arrangements; coordination does not include rescue costs. Fairy Meadows is around 3,300 m; the Raikot-side base-camp objective approaches roughly 4,000 m. A viewpoint stop is distinct from reaching base camp. The local jeep track is narrow and exposed; discuss suitability before booking.

Weather & travel changes

Weather, landslides and road access can change the programme. Your coordinator will agree alternatives and the cost of additional nights or transport before travel. Keep onward connections flexible; reaching a named destination is subject to conditions. The team chooses the open road approach rather than assuming Babusar Pass is accessible. A blocked jeep track can require changing the trip.

Packing checklist

- Broken-in trekking boots, suitable socks and comfortable camp footwear
- Warm layers, insulated jacket, waterproof shell, gloves and warm hat
- Sun hat, sunglasses and sun protection
- Daypack, reusable water bottles and headtorch with spare power
- Sleeping bag matched to the route and season; confirm rental availability before travel
- Personal medication, identification and offline copies of travel and insurance documents
- Trekking poles and personal toiletries; carry reusable items and pack out waste
